HOW YOU CAN HELP END OF LIFE WASHINGTON

With your help, End of Life Washington educates the public, builds partnerships with health care providers, advocates for patients’ rights, and provides services and resources to incurably and terminally ill patients and their loved ones.

End of Life Washington depends almost entirely on gifts from people like you. When you make a donation or planned gift to End of Life Washington, it enables your values and commitments to carry on in the service of others. You make their journeys easier; support patient-centered end-of-life care and patient autonomy; and know your gift will be used to uphold patients’ rights to a peaceful death.
