

Your life. Your death. Your choice.

## DURABLE POWER OF ATTORNEY FOR HEALTH CARE AND HEALTH CARE DIRECTIVE OF:

\_\_\_\_\_  
{Your name here.}

This document states my choices about use of life-sustaining medical treatment and comfort care. It is meant to inform and guide whoever will make health care decisions for me, if I become unable to communicate.

### 1. WHEN I WANT THIS DOCUMENT TO APPLY

I want this document to apply if I become unable to make my own health care decisions.

I understand that such inability may only be temporary, and if I become unable to make certain decisions, I may still be able to make others. When I can make my own health care decisions I want to do so.

Even when I cannot make my own health care decisions, I want my physician and my health care decision maker(s) to talk to me honestly about my condition and treatment, if they think I might understand.

I want this directive to remain in effect after my death for autopsy, organ donation, use of my body for medical research, and for my agent to arrange for the disposition of my remains, if I authorize that in section 10.

### 2. MY HEALTH CARE AGENT

I appoint as my agent:

Name

\_\_\_\_\_

Address

\_\_\_\_\_

Telephone

\_\_\_\_\_

(day)

(evening)

(mobile)

My alternate agent {optional}:

If my agent is unable or unwilling to serve, or is unavailable, or if my agent is a spouse or partner from whom I am separated or divorced when decisions need to be made for me, then I name this alternate agent:

Name

\_\_\_\_\_

Address

\_\_\_\_\_

Telephone

\_\_\_\_\_

(day)

(evening)

(mobile)

If my alternate agent acts for me because my first agent is unavailable, I intend that the alternate act only while my first agent is unavailable.

### 3. THE AUTHORITY I GIVE MY AGENT

I grant my agent complete authority to make all decisions about my health care. This includes, but is not limited to (a) consenting, refusing consent, and withdrawing consent for medical treatment recommended by my physicians, including life-sustaining treatments; (b) requesting particular medical treatments; (c) accessing my medical records and information; (d) employing and dismissing health care providers; (e) changing my health care insurers; (f) making a Physician Orders for Life-Sustaining Treatment (POLST) form for me; and (g) removing me from any health care facility to another facility, a private home, or other place. This release authority additionally applies to information governed by the Health Insurance Portability and Accounting Act of 1996 as hereafter amended.

### 4. HOW TO MAKE HEALTH CARE DECISIONS FOR ME

I want whoever makes health care decisions for me to do as I would want in the circumstances, based on the choices I express in this document. If what I would want is not known, then I want decisions to be made in my best interest, based on (a) my values, (b) the contents of this document, and (c) medical information provided by my health care providers.

### 5. WHY I AM MAKING THIS DOCUMENT

I value life very much, but I believe that to be kept alive in certain circumstances is worse than death. I do not want others to substitute their choices for mine because they disagree with my choices or because they think their choices are in my best interest. I do not want my intentions to be rejected because someone thinks that if I had more information when I completed this document, or if I had known certain medical facts that developed later, I would change my mind.

\_\_\_\_\_ I have completed and attached an additional statement of my values. {Optional}

### 6. WHEN I DO NOT WANT LIFE-SUSTAINING TREATMENT

a. Qualities of life I consider worse than death, and in which I would want to be allowed to die: {initial all that apply}

- (1) Unconsciousness or coma from which the ability to think or communicate will probably not be recovered, or, unconsciousness lasting \_\_\_\_\_ week(s), whichever comes first. {Insert number or "Dr's judgment."}
- (2) Apparently complete or nearly complete loss of ability to think and communicate, which is probably permanent.
- (3) Total dependence on others for my care because of physical deterioration, which is probably permanent.
- (4) Pain which probably cannot be eliminated, or can be eliminated only by sedating me so heavily that I cannot converse.
- (5) Irreversible dementia such as Alzheimer's Disease.
- (6) Other circumstances in which I would not want life-sustaining treatment: {Optional}

b. Temporary use of life-sustaining treatment: I understand it is possible that I might experience an unacceptable quality of life – as initialed above or determined by my agent – at a time when my physician might believe temporary use of life-sustaining treatment would probably restore a quality of life acceptable to me. If so, then: {initial one}

- (1) I want life-sustaining treatment, for up to \_\_\_\_\_ week(s). {Insert number or "Dr's judgment."}
- (2) I still do not want life-sustaining treatment.

## 7. LIFE-SUSTAINING TREATMENTS I DO NOT WANT

If I experience a condition I initialed in 6.a. or if I experience a quality of life my agent believes I would consider unacceptable, I do not want these life-sustaining treatments started, and, if already in use, I want them stopped (except for temporary use if I authorized that in 6.b.). {Initial all that you do not want.}

- Nutrition and hydration other than ordinary food and water delivered by mouth, if I cannot eat and drink enough to sustain myself.
- All cardiopulmonary resuscitation (CPR) measures to try to restart my heart or breathing, if those stop, including artificial ventilation, stimulants, diuretics, heart regulating drugs, or any other treatment for heart failure.
- Heart regulating drugs including electrolyte replacement, if my heartbeat becomes irregular.
- Surgeries to prolong my life.
- Blood dialysis or filtration to clean life-threatening substances from my blood, if my kidneys do not work normally.
- Transfusions of blood, plasma, blood products, or other fluids to replace lost or diseased blood.
- Medications, when their purpose is to prolong life rather than control pain (for example: antibiotics, chemotherapy, steroids, medicines to make my heart work, and insulin).
- Anything else intended to keep me alive.

## 8. MY WISHES CONCERNING COMFORT CARE AND PAIN MEDICATION

If I appear to be in pain or experiencing symptoms such as breathlessness or I am otherwise uncomfortable, I want vigorous treatment to relieve my pain and symptoms and make me comfortable, even if my physicians or other medical providers believe this might unintentionally hasten my death, cause drug dependency, or make me unconscious.

Yes

No

## 9. REGARDING A HEALTH CARE INSTITUTION REFUSING TO HONOR MY WISHES

I understand that circumstances beyond my control may cause me to be admitted to a health care institution whose policy is to decline to follow advance directives that conflict with certain religious or other beliefs. If I am a patient in such a health care institution when this advance directive comes into effect, I direct that my consent to admission shall not constitute implied consent to procedures or courses of treatment mandated by religious or other policies of the institution, if those procedures or courses of treatment conflict with this advance directive. Furthermore, if the health care institution in which I am a patient declines to follow my wishes as set out in the advance directive, I direct that I be transferred in a timely manner to a hospital, nursing home, private home, hospice or other institution which will agree to honor the instructions set forth in this advance directive.

## 10. MY WISHES CONCERNING OTHER MATTERS

YES NO

- a. I consent to medical treatments that are experimental. \_\_\_\_\_
- b. I want to donate organs/tissues. \_\_\_\_\_
- c. I consent to an autopsy. \_\_\_\_\_
- d. I consent to use of all or part of my body for medical education or research. \_\_\_\_\_
- e. I have named the following individual(s) as my designated agent(s) for funeral arrangements:

My designated agent:

\_\_\_\_\_  
Name

\_\_\_\_\_  
Address

\_\_\_\_\_  
Telephone (day) (evening) (mobile)

My alternate agent: {optional}

If my primary agent is unable or unwilling to serve, or is unavailable, or if my agent is a spouse or partner from whom I am separated or divorced when decisions need to be made for me, then I name this alternate agent:

\_\_\_\_\_  
Name

\_\_\_\_\_  
Address

\_\_\_\_\_  
Telephone (day) (evening) (mobile)

- f. I want my remains to be disposed of as follows: {describe}

## 11. IF A COURT APPOINTS A GUARDIAN FOR ME

If I have named a health care agent, I want my agent to be my guardian. If he/she cannot serve, then I want my alternate agent to be my guardian, if I have named an alternate. If the court decides to appoint someone else, I ask that the court require the guardian to consult with my agent (or alternate) concerning all health care decisions that would require my consent if I were acting for myself.

## 12. HOW THIS DIRECTIVE CAN BE REVOKED OR CANCELED

This directive can be revoked by a written statement to that effect, or by any other expression of intention to revoke. However, if I express disagreement with a particular decision made for me, that disagreement alone is not a revocation of this document.

## 13. SUMMARY AND SIGNATURE

I understand what this document means. If I am ever unable to make my own health care decisions, I am directing whoever makes them for me to do as I have said here. This includes withholding and/or withdrawing life-sustaining medical treatment, which might result in my death occurring sooner than if everything medically possible were done. I make this document of my free will, and I believe I have the mental and emotional capacity to do so. I want this document to become effective even if I become incompetent or otherwise disabled.
